## How to find us

Gewefa UK Limited is based in Edinburgh Way, Leafield Industrial Estate, Corsham, Wiltshire, SN13 9XZ, England.

If traveling to Gewefa from the M4 either east or west leave at junction 17 signposted to Chippenham.

Follow the ring road A350 signposted Poole/Chippenham. After the traffic lights on the outskirts of the town take the right hand lane at the roundabout signposted ring road/Poole and follow the ring road over the next 4 roundabouts.

At the fifth, take the road to the right (A4) sign posted Corsham and Bath. Follow this road for three miles. At the traffic lights on the outskirts of Corsham stay in the right hand lane (ignore the left lane signposted Corsham). Half a mile on you will approach a mini roundabout with a pub (The Hare and Hounds) on the left. Turn sharp left – you will see the sign to Leafield Industrial Estate.

At the immediate mini roundabout turn right into Valley Road. Follow the road past the school, through the housing estate, over the bridge at the bottom of the hill (with traffic priority sign). Follow the road around to the right and turn left into Leafield Industrial Estate.

Gewefa is the second large unit on the left. There is ample parking on site.

If approaching along the A4 from Bath, you will meet the same roundabout on the A4 with the Hare and Hounds in front of you. Turn to the right at the roundabout and follow the same instructions.
